P89
op. 49

Сюита для оркестра «Четыре портрета и развязка из оперы „Игрок“» ор. 49 создавалась С. С. Прокофьевым в 1930—1931 годах. В «Автобиографии» композитор пишет: «Одновременно с квартетом [ор. 50] я обдумывал симфоническую сюиту из „Игрока“. Сюита давалась трудно. Консистенция этой оперы родилась из близкого следования музыки за словом. Среди образовавшихся изгибов и закоулков трудно было найти чисто симфоническую линию. В конце концов я пришёл к заключению, что надо делать не сюиту, а портреты отдельных персонажей. Но и это было непросто, так как характеристики их были разбросаны по всей опере. Я придумал такой метод: расплёл клавир и, отобрав всё, что касалось данного лица, раскладывал листки на полу. Сидя на столе, я в течение порядочного времени обозревал их, и постепенно один эпизод начинал притягиваться к другому, точно капля к капле. Образовались отдельные сгустки, которыми уже легче было оперировать. Тем не менее работа была длинная, прежде чем возникли более или менее стройные портреты Алексея, Бабуленьки, Генерала и Полины. К ним я прибавил пятую часть — „Развязку“, сделав её из двух антрактов. Всю вещь пришлось заново переоркестровать, и только в 1931 году я закончил её. Первое исполнение состоялось 12 марта 1932 года в Париже [под управлением Ф. Рульмана]»*).

В Москве сюита «Четыре портрета и развязка из оперы „Игрок“» была впервые исполнена 25 ноября 1932 года под управлением Н. С. Голованова.

Партитура издана фирмой А. Гутхейля.

---

В партитуре все транспонирующие инструменты написаны in C, т. е. так, как они звучат. В партиях следует писать: английский рожок и валторны in F, басовый кларнет и трубы in B, кларнеты in B (в первой, второй и пятой частях) и in A (в третьей и четвёртой частях).

Для ударных, кроме литавриста, требуются три исполнителя, в соответствии с чем они должны быть расписаны на три партии: 1) большой барабан и бубен, 2) малый барабан и треугольник, 3) тарелки.

All transposing instruments in this score are notated in C, i.e., the way they sound. The parts of the English and French Horns should be written in F, of the Bass-Clarinet and Trumpet, in B flat, the Clarinets, in B flat (1st, 2nd and 5th movements) and in A (3rd and 4th movements).

There should be three percussionists besides the kettledrummer so that the percussion instruments should be grouped in three parts as follows: 1) Bass Drum and Tambourine; 2) Snare Drum and Triangle; 3) Cymbals.
